Vitaliano/Bloom:

I would like to redact my address from all of my lawsuits. Someone has posted my address on the internet after having acquired a copy of a few of my lawsuits. I was instructed to list the case numbers of the lawsuits in question, but upon attempting, I realized that I do not have the numbers to certain cases I recently filed.

This means that I would also like to redact my address from lawsuits I filed in the past that have been sealed/closed. I would also like to redact my address on this letter.
